

## From A Distance

From a distance, the world looks blue and green  
And the snow-capped mountains white  
From a distance, the ocean meets the stream  
And the eagle takes to flight.

From a distance, there is harmony  
And it echoes through the land  
It's the voice of hope  
It's the voice of peace  
It's the voice of everyone.

From a distance, we all have enough  
And no one is in need  
And there are no guns, no bombs, and no disease  
No hungry mouths to feed

From a distance, we are instruments  
Marching in a common band  
Playing songs of hope  
Playing songs of peace  
They're the songs of everyone  
God is watching us

From a distance, you look like my friend  
Even though we are at war  
From a distance, I just cannot comprehend  
What all this fighting's for

From a distance, there is harmony  
And it echoes through the land  
And it's the hope of hopes  
It's the love of loves  
It's the heart of everyone  
It's the hope of hopes  
It's the love of loves  
This is the song for one  
And God is watching us  
From a distance

## When Tomorrow Starts Without Me

When tomorrow starts without me,  
And I'm not there to see;  
If the sun should rise  
and find your eyes  
All filled with tears for me;  
I know how much you love me,  
As much as I love you,  
And each time that you think of me,  
I know you'll miss me too  
So when tomorrow starts without me,  
Don't think we're far apart,  
For every time you think of me,  
I'm right here, in your heart.

# Beverly Ireland Celebration of Life

We are glad you could join us. Please feel free to stay for as long as you like. We will gather all together at about 3:00 PM to share brief memories, poems or prayers. Afterwards, there will be more time to visit with friends and family in smaller groups.

Pastor Phil Richards

## **Thank you**

We wish to express our sincere gratitude to all who shared their life and times with Bev. Whenever we talked with her, she always shared the wonderful moments she had with you. Whether it was sharing a meal, going on an outing, or listening to music, these simple things gave her incredible joy each day. We are sure that Bev would want you to continue to care for yourself and those around you, and find joy in every day.
